Blair Gordon,  
High River Ab,

Happy New Year! Another Christmas season has come and gone. We appreciate your willingness to support our work in the community by always finding us a location to host our toy shop.

We have had the privilege to provide Christmas Hampers consisting of toys and food provisions for 455 households in the Foothills area. That means 1676 people, including 848 children, were able to enjoy Christmas this year.

We could not have accomplished this feat without your help, and we would like to extend our sincere appreciation to you at this time. It is only because of the generosity of people such as yourselves that we can continue to meet our community's needs and be a transforming influence in our neighbors' lives. Please be assured your support is not taken for granted!

May you have a blessed 2025,
